

Welcome to Q2 with DRS

As we move into the second quarter of the year, Diversified Roofing Solutions is excited to continue building on the momentum from the start of the year. This newsletter is our way of keeping you connected with what's happening across DRS, from company updates and product highlights to industry insights and team news. We appreciate your continued support and look forward to sharing more updates and opportunities with you throughout the quarter.

DRS Celebrates 20 Years of Representing Versico

We are proud to recognize 20 years of Diversified Roofing Solutions working with Versico Roofing Systems! We are looking forward to many more years of partnership.

DRS Attends IRE & CRCA

This quarter, the DRS team attended the International Roofing Expo (IRE) in Las Vegas and the Chicago Roofing Contractors Association (CRCA).

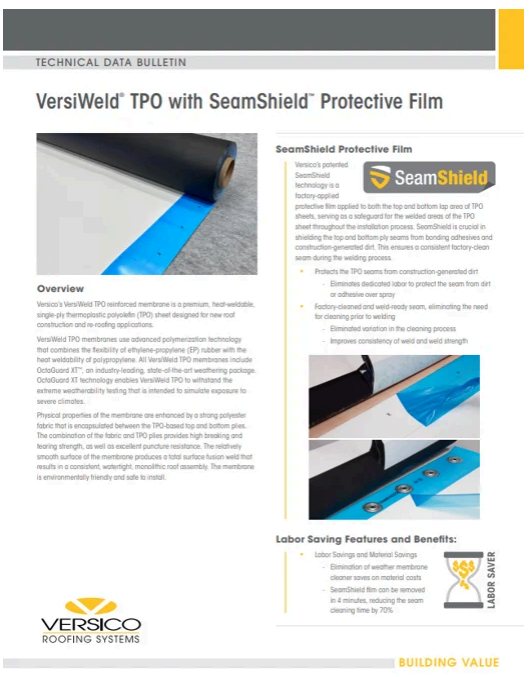

We had a great time connecting with partners, continuing education and staying up-to-date on the roofing industry.

We're Hiring

We're growing! DRS is currently hiring for two open positions, Inside Sales Representative and Architectural Sales Specialist.

If you know someone who would be a great fit for our team, please reach out to us or share the opportunity with them.

Versico's VersiWeld® TPO with SeamShield

Versico's VersiWeld® TPO with SeamShield™ Protective Film incorporates a factory-applied protective film directly onto the lap areas of each TPO sheet. SeamShield technology covers critical seam zones from construction contaminants and bonding adhesives throughout the installation process, ensuring a consistently clean, weld-ready surface every time.

VersiFleece® EPDM Membranes

Officially releasing April 7, Versico's VersiFleece EPDM Membranes offer a tough, fleece-backed roofing solution ideal for both new construction and re-roofing projects, available in 100-, 115-, and 145-mil thicknesses. The membrane delivers exceptional durability, with 40% greater puncture resistance and 180% greater tear resistance, along with outstanding hail resistance.
