

Happy New Year from DRS

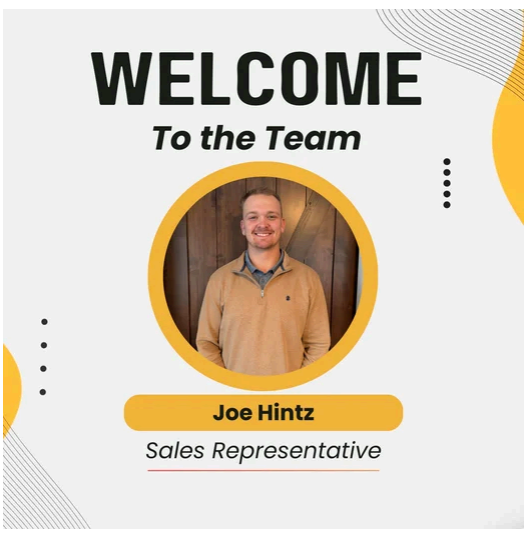

Happy New Year from everyone at Diversified Roofing Solutions! As we head into the year ahead, we're excited to launch this newsletter as a way to share company updates, highlight product lines, and keep you informed on what's happening across our business. We look forward to staying connected and providing helpful insights and news throughout the year.

DRS Announces Representation of Citadel Architectural Products

We are proud to announce that we are now an authorized representative of Citadel Architectural Products, a leading manufacturer of high-performance composite panels and architectural cladding systems. This partnership marks an important expansion of our product offerings.
